

PRESS RELEASE

IMMEDIATE RELEASE

WILLIAM F. MILLER & ASSOCIATES PARTNERS WITH QMI-MULTIFLEX

NASHVILLE, TN (March 30, 2021) – William F. Miller & Associates, the country’s leading marine Manufacturers’ Representative agency, is pleased to announce their newest partnership with QMI-Multiflex, a North American OEM supplier with offerings in multiple marine product categories. The newly appointed agency will be responsible for representing their marine products to customers in the greater South and Midwest US territories.

“Our agency is honored to be partnered with QMI-Multiflex. Their mechanical and hydraulic steering products provide a new opportunity for our agency and our customers, as well as QMI’s many other product offerings. We are thrilled to be a part of this forward-thinking company, and are committed to a long, mutually beneficial relationship,” said **Hill Lenderman, Owner / President of William F. Miller & Associates.**

“I have always admired William F. Miller & Associates as an agency, with their proven legacy and reputation in the marine industry. The strength of their sales team and the skill set they bring to our company will help us launch our marine expansion both now and, in the future,” said Russ Sinacore, **Chief Operating Office of QMI-Multiflex.**

William F. Miller & Associates has represented premium marine products for over 67 years, with a long history of extraordinary salesmanship and customer service. The agency's sales territory encompasses the greater South and Midwest, with their corporate office located in Nashville, TN.

QMI-Multiflex is operating under the parent QM GROUP, a well-known and respected North American OEM supplier with offerings in multi-industry injection molding, AccuLift electro/mechanical lifts, and thermoform plastics. They will provide hydraulic steering, mechanical steering, control cables, steering wheels, tanks, hoses, dash panels, injection molded parts, and many other accessories in their Orangeburg, SC facility, where they have close to 300,000 square feet of warehouse and manufacturing. Visit them at www.qmimultiflex.com.
